ICI[®] PAINTEX[®]

ICI Paintex Star Semi-Plastic Emulsion

Paintex Star Emulsion is an economical emulsion with improved hiding power and a smooth matt finish. It is suitable for all normal interior masonry surfaces including brick work, plaster, cement, etc.

ICI Paintex Star Synthetic Enamel

ICI Paintex Star Synthetic Enamel is a superior quality solvent based gloss enamel, recommended for use on all types of interior and exterior wood and metal surfaces. It gives a smooth finish with long lasting shine and has improved drying time.

ICI Paintex Putty

ICI Paintex Wall Putty (water based) is high quality ready to use filler for all types of interior masonry surfaces such as plaster. It is easy to apply and quick drying. Its good filling properties give a smooth finish for topcoat application. ICI Paintex Wall Putty is not recommended for exterior use.

ICI Paintex Ultratex

ICI Paintex Ultratex is an economical water based paint that has an excellent coverage. ICI Paintex Ultratex provides a smooth matt finish. It is suitable for all normal interior masonry surfaces including brickwork, plaster, cement, etc.

ICI Paintex Ultraprime

ICI Paintex Ultraprime is high quality solvent-based alkali resistance primer for masonry surfaces. It is ideal for use on all interior/exterior surfaces. It provides excellent adhesion with the surface and topcoat.

ICI Paintex Sheesha Putty

ICI Paintex Sheesha Putty is a superior quality (water based) ready to use filler for all types of interior masonry surfaces such as plaster. It is brilliant white in colour, easy to apply, and quick drying with excellent filling properties to give a smooth finish for application of topcoat. ICI Paintex Sheesha Putty is not recommended for exterior use.
